News Release

08/28/2013

Sheriff Lavender reports that his office received a call shortly before 7:00 a.m. this morning in reference to a student at Southeastern High School possibly causing a disturbance at school this morning.

The call came from a concerned parent and was originally obtained from a social media site.

The Sheriff responded to the school with several deputies, his school safety officers, and his explosives detection K-9 Ilka. The student was met at the front door of the school. The student was taken to the principal's office where an interview was conducted. Sheriff's Office Investigators were able to determine that the complaint was unfounded.

Sheriff's Deputies also conducted a security sweep of the entire building with Ilka as a precautionary measure.

The Sheriff reports that the school building was never locked-down and is currently in session.
