## News Release

10/12/2014

Sheriff Lavender reports that his deputies received training from the office of Ohio Attorney General Mike DeWine. A representative from the Attorney General's office was in Ross County on Friday to administer training on Victims Right's and Victim Awareness.

The 4 hour training was part of the mandatory continuous professional education requirement for Peace Officers in Ohio. The training was to improve our deputies ability in dealing with crime victims and their family members, and to keep deputies on course with keeping in touch with the citizens of Ross County to provide the best services possible to our community.

The training was held at the Terry Collins Re-Entry Center on S.R. 104 and was provided to the Sheriff's office at no cost.
